Feedback Data

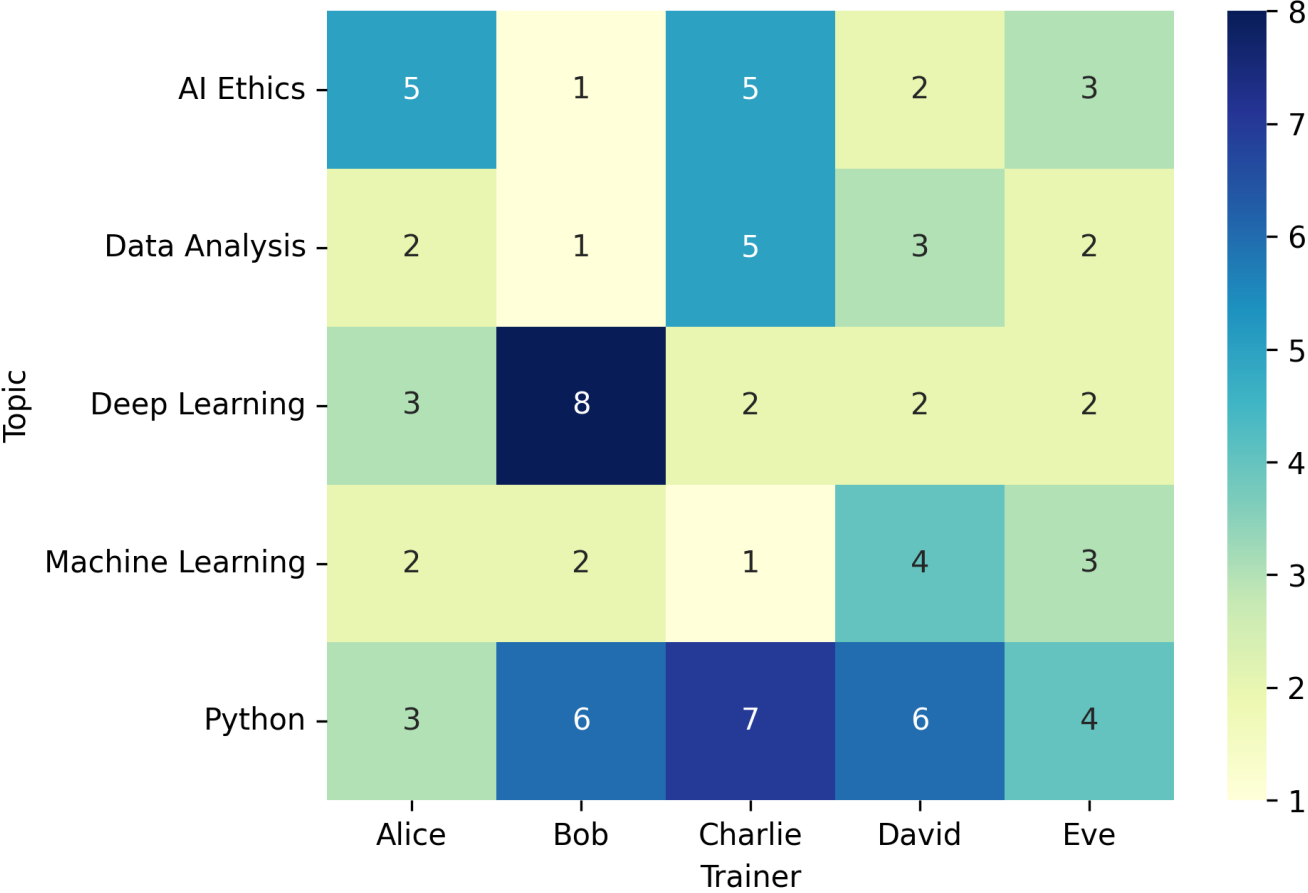

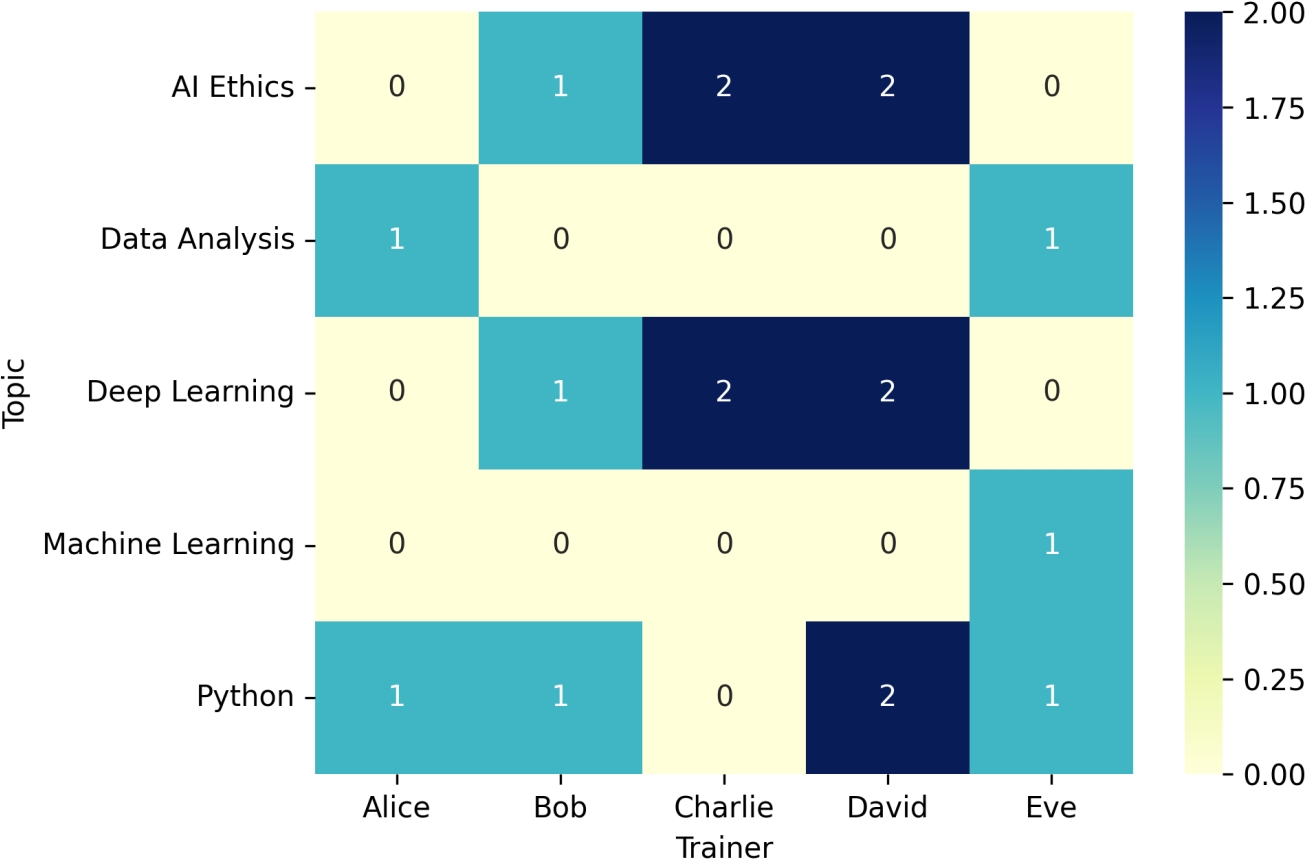

| Trainer | Batch | Topic | Feedback | Category |
|---------|----------|------------------|---|------------|
| Eve | June2025 | Python | Very repetitive. | Complaint |
| David | July2025 | Python | Great trainer! | Compliment |
| Charlie | May2025 | AI Ethics | Excellent pace and content. | Compliment |
| Alice | June2025 | Data Analysis | Loved the quizzes. | Compliment |
| Eve | July2025 | Deep Learning | Very hands-on, I liked that. | Compliment |
| Alice | June2025 | AI Ethics | Really loved the visualizations. | Compliment |
| Eve | July2025 | Python | Really loved the visualizations. | Compliment |
| Bob | June2025 | Deep Learning | The animations were very helpful. | Compliment |
| Charlie | May2025 | Data Analysis | Too much theory, not enough hands-on. | Suggestion |
| Eve | July2025 | Deep Learning | Great trainer! | Compliment |
| Eve | May2025 | Data Analysis | Really loved the visualizations. | Compliment |
| Bob | July2025 | Deep Learning | Loved the way concepts were explained. | Compliment |
| Bob | May2025 | Data Analysis | I found the pace too fast. | Suggestion |
| Alice | June2025 | Python | Excellent pace and content. | Compliment |
| Charlie | July2025 | Python | Good pace, practical session. | Compliment |
| Charlie | May2025 | Python | Fun and informative. | Compliment |
| David | July2025 | Python | Very repetitive. | Complaint |
| David | June2025 | Deep Learning | The examples were outdated. | Suggestion |
| Eve | June2025 | Data Analysis | Trainer didn't take questions. | Suggestion |
| Eve | July2025 | Machine Learning | Good pace, practical session. | Compliment |
| Charlie | June2025 | AI Ethics | Very hands-on, I liked that. | Compliment |
| Eve | July2025 | Data Analysis | Really loved the visualizations. | Compliment |
| Eve | July2025 | Data Analysis | I was lost halfway through. | Complaint |
| David | June2025 | AI Ethics | I was lost halfway through. | Complaint |
| Charlie | June2025 | AI Ethics | Not very interesting. | Complaint |
| David | July2025 | Deep Learning | Not very interesting. | Complaint |
| Bob | May2025 | AI Ethics | Loved the way concepts were explained. | Compliment |
| Bob | May2025 | Python | Excellent delivery and pace. | Compliment |
| David | July2025 | Deep Learning | Unclear on some topics. | Suggestion |
| Bob | June2025 | Deep Learning | The session was clear and well-organized. | Suggestion |
| Bob | June2025 | AI Ethics | Not very interesting. | Complaint |
| Alice | June2025 | Deep Learning | Unclear on some topics. | Suggestion |
| Bob | May2025 | Deep Learning | Too many slides and text-heavy. | Suggestion |

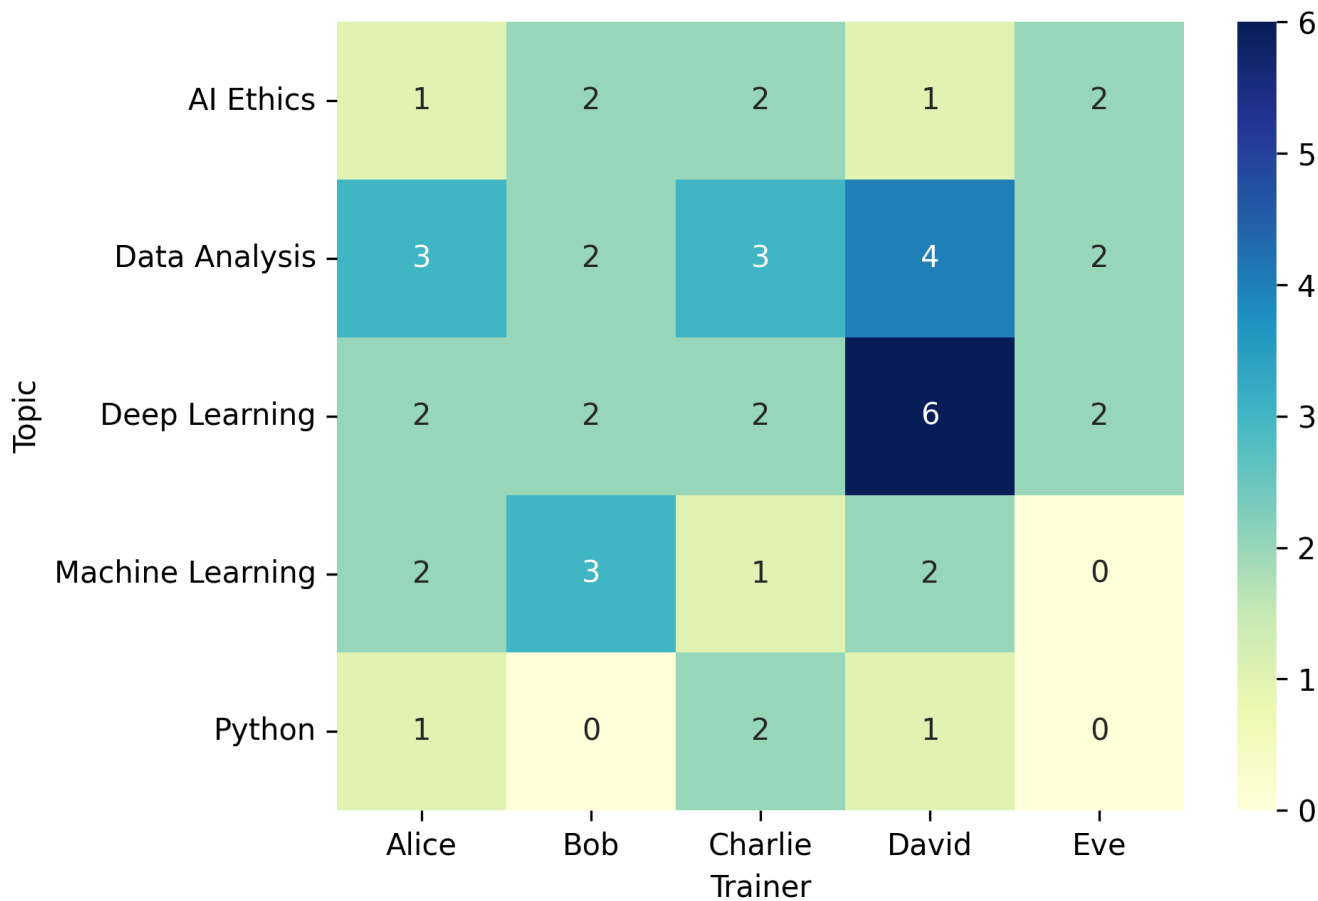

| Trainer | Batch | Topic | Feedback | Category |
|---------|----------|------------------|---|------------|
| Charlie | July2025 | Data Analysis | Good pace, practical session. | Compliment |
| Charlie | June2025 | Data Analysis | The trainer was engaging. | Suggestion |
| David | June2025 | Machine Learning | Loved the way concepts were explained. | Compliment |
| Bob | July2025 | Python | Really loved the visualizations. | Compliment |
| Bob | June2025 | Deep Learning | Very hands-on, I liked that. | Compliment |
| Charlie | May2025 | Python | Great structure, well paced. | Compliment |
| Charlie | May2025 | Python | Excellent pace and content. | Compliment |
| Eve | May2025 | Machine Learning | Excellent pace and content. | Compliment |
| David | July2025 | Python | Loved the quizzes. | Compliment |
| Bob | May2025 | Deep Learning | Not very interesting. | Complaint |
| Charlie | June2025 | AI Ethics | Great examples and real-life cases. | Compliment |
| Eve | June2025 | Machine Learning | Great examples and real-life cases. | Compliment |
| David | June2025 | Data Analysis | Too many slides and text-heavy. | Suggestion |
| Eve | July2025 | AI Ethics | Loved the quizzes. | Compliment |
| David | June2025 | Data Analysis | Examples were too theoretical. | Suggestion |
| David | July2025 | Machine Learning | The trainer was engaging. | Suggestion |
| Charlie | July2025 | AI Ethics | The session was clear and well-organized. | Suggestion |
| Alice | June2025 | Machine Learning | Slides were excellent and clear. | Compliment |
| Alice | May2025 | Python | Fun and informative. | Compliment |
| David | June2025 | Data Analysis | Trainer didn't take questions. | Suggestion |
| David | May2025 | Data Analysis | Loved the quizzes. | Compliment |
| Alice | June2025 | Deep Learning | Slides were not legible. | Suggestion |
| Charlie | June2025 | Python | Too much theory, not enough hands-on. | Suggestion |
| Bob | June2025 | Data Analysis | Too much theory, not enough hands-on. | Suggestion |
| Eve | June2025 | Data Analysis | Trainer didn't take questions. | Suggestion |
| Bob | May2025 | Data Analysis | Slides were excellent and clear. | Compliment |
| Bob | July2025 | Machine Learning | Too many slides and text-heavy. | Suggestion |
| David | July2025 | Deep Learning | The animations were very helpful. | Compliment |
| Alice | June2025 | Data Analysis | Too many slides and text-heavy. | Suggestion |
| David | June2025 | Deep Learning | The session was clear and well-organized. | Suggestion |
| Bob | July2025 | AI Ethics | The session was clear and well-organized. | Suggestion |
| David | July2025 | Machine Learning | Loved the quizzes. | Compliment |
| Alice | June2025 | Deep Learning | Fun and informative. | Compliment |
| Charlie | May2025 | Deep Learning | Session was helpful and interactive. | Compliment |
| David | July2025 | Deep Learning | Too much theory, not enough hands-on. | Suggestion |
| Bob | June2025 | Deep Learning | Great examples and real-life cases. | Compliment |
| Alice | July2025 | AI Ethics | Good pace, practical session. | Compliment |
| David | May2025 | Machine Learning | The animations were very helpful. | Compliment |
| Alice | May2025 | Python | Very hands-on, I liked that. | Compliment |
